2019 NBER-NSF T

14-15

LT6, Yasumoto Int
The Chinese U

NBER-NSF Time Series Conference

Since the early 1980s, the NBER-NSF Time Series Conference has been an annual high-level occasion that brings in econometricians and statisticians alike to enhance collaboration and communication on the current state-of-the-art developments in financial and econometric time series.
