There is a second copy also in MB 9.

Document type: appendix

Size, pages: 402 pages

Title: Volume II – British Commodity Prices

Author(s): Arthur Gayer, Walt Rostow, Anna Schwartz

Year, month: 1953

Volume number/section/part: II

Locator label: MB 16

Comments by: Morgan Foy

Notes on document quality: very fragile condition inside of transparent folder

Description (about 200 words): appendix for *The Growth and Fluctuation of the British Economy: 1790 - 1850; an Historical, Statistical, and Theoretical Study of Britain's Economic Development*, Arthur D. Gayer, Isaiah Frank, Walt Whitman Rostow, and Anna Jacobson Schwartz. Oxford: Clarendon, 1953

Document type: appendix

Size, pages: 862 pages

Title: Volume IV – Financial Data

Author(s): Arthur Gayer, Walt Rostow, Anna Schwartz

Year, month: 1953

Volume number/section/part: IV

Locator label: MB 16

Comments by: Morgan Foy

Notes on document quality: very fragile condition inside of yellow transparent folder

Description (about 200 words): appendix for *The Growth and Fluctuation of the British Economy: 1790 - 1850; an Historical, Statistical, and Theoretical Study of Britain's Economic Development*, Arthur D. Gayer, Isaiah Frank, Walt Whitman Rostow, and Anna Jacobson Schwartz. Oxford: Clarendon, 1953

Document type: appendix

Size, pages: 425 pages

Title: Volume V – British Basic Statistical Data

Author(s): Arthur Gayer, Walt Rostow, Anna Schwartz

Year, month: 1953

Volume number/section/part: V

Locator label: MB 16

Comments by: Morgan Foy

Notes on document quality: very fragile condition inside of pink transparent folder

Description (about 200 words): appendix for *The Growth and Fluctuation of the British Economy: 1790 - 1850; an Historical, Statistical, and Theoretical Study of Britain's Economic Development*, Arthur D. Gayer, Isaiah Frank, Walt Whitman Rostow, and Anna Jacobson Schwartz. Oxford: Clarendon, 1953

Document name: The Labor Force Under Changing Income and Employment

Document type: appendices

Size, pages: 34 pages

Title: Supplementary Appendices

Author(s): Clarence Long

Year, month: 1958

Volume number/section/part:

Locator label: MB 13

Comments by: Morgan Foy

Notes on document quality: bound inside blue cover

Description (about 200 words): Appendix G: Adjustments of United States Labor Force and Population Used in Appendix A, Appendix H: Rejection of the Durand-Goldfield Adjustments of the United States Labor Force of 1930, Appendix I: Sampling and Interview Errors in the Census Monthly Estimates of Labor Force, a copy is also located in MB 13

Document name: Measuring Transactions between World Areas

Document type: microfilm

Size, pages:

Title: 78 Country Notes

Author(s): Herbert B. Woolley

Year, month:

Volume number/section/part: 1966

Locator label: CB 3

Comments by: Robin Barrios

Notes on document quality: film is in a small metal canister inside of a small, yellow Recordak box, the descriptive label is torn at the upper right hand corner and the name of the author is handwritten above this spot

Description (about 200 words): the notes and additional appendices contained on this film were not published in the book *Measuring Transactions between the World Areas*

Document name: Retail Prices in the 1850

Document type: appendix

Size, pages: 53 pages

Title: Retail Prices after 1850

Author(s): Ethel D. Hoover

Year, month: 1960

Volume number/section/part: Chapter 3 in *Trends in the American Economy in the Nineteenth Century*

Comments by: Morgan Foy

Notes on document quality: loose document, handwritten notes on front cover

Description (about 200 words): the appendix to Retail Prices after 1850, chapter three in *Trends in the American Economy in the Nineteenth Century. A Report of the National Bureau of Economic Research, New York*. Princeton: Princeton UP, 1960

Document name: Statistical Abstract of Industrial Output in the Soviet Union 1913 – 1955 (Part 1)

Document type: appendix

Size, pages: about 300 pages

Title: Part 1: Output Series

Author(s): G. Warren Nutter

Year, month: October 1956

Volume number/section/part: 1

Locator label: MB 11

Comments by: Morgan Foy

Notes on document quality: green cover, first page loose

Description (about 200 words): Part 1 of an unpublished appendix for *Growth of Industrial Production in the Soviet Union*, Nutter, G. Warren, Princeton UP, 1962. This part includes a foreword by Nutter, a list of the Output Series, and the Output Series data. A copy marked #2 is also located in MB 11.

Document name: Statistical Abstract of Industrial Output in the Soviet Union 1913 – 1955 (Part 2)

Document type: appendix

Size, pages: about 200 pages

Title: Part 2: Sources and Notes (Series 101 – 455)

Author(s): G. Warren Nutter

Year, month: October 1956

Volume number/section/part: 2

Locator label: MB 11

Comments by: Morgan Foy

Notes on document quality: green cover

Description (about 200 words): Part 2 of an unpublished appendix for *Growth of Industrial Production in the Soviet Union*, Nutter, G. Warren, Princeton UP, 1962. This part includes data on the sources of output for ferrous metals, nonferrous metals, fuel and energy, and chemicals. A copy marked #2 is located in MB 12.

Document name: Statistical Abstract of Industrial Output in the Soviet Union 1913 – 1955 (Part 3)

Document type: appendix

Size, pages: about 175 pages

Title: Part 3: Sources and Notes (Series 501 - 919)

Author(s): G. Warren Nutter

Year, month: October 1956

Volume number/section/part: 3

Locator label: MB 12

Comments by: Morgan Foy

Notes on document quality: green cover

Description (about 200 words): Part 3 of an unpublished appendix for *Growth of Industrial Production in the Soviet Union*, Nutter, G. Warren, Princeton UP, 1962. This part includes data on the sources of output for agricultural raw materials, minerals, construction materials, transportation equipment and agricultural machinery. A copy marked #2 is also located in MB 12.

Document name: Statistical Abstract of Industrial Output in the Soviet Union 1913 – 1955 (Part 4)

Document type: appendix

Size, pages: about 200 pages

Title: Part 4: Sources and Notes (Series 1001 – 1313)

Author(s): G. Warren Nutter

Year, month: October 1956

Volume number/section/part: 4

Locator label: MB 12

Comments by: Morgan Foy

Notes on document quality: green cover

Description (about 200 words): Part 4 of an unpublished appendix for *Growth of Industrial Production in the Soviet Union*, Nutter, G. Warren, Princeton UP, 1962. This part includes data on the sources of output for other machinery, food and allied products, textiles and apparel, consumer durables, and an appendix on small-scale industry. A copy marked #2 is located in MB 13.

Document name: Statistical Abstract of Industrial Output in the Soviet Union 1913 – 1955 (Part 5)

Document type: appendix

Size, pages: 54 pages

Title: Part 5: bibliography

Author(s): G. Warren Nutter

Year, month: October 1956

Volume number/section/part: 5

Locator label: MB 13

Comments by: Morgan Foy

Notes on document quality: green cover

Description (about 200 words): Part 5 of an unpublished appendix for *Growth of Industrial Production in the Soviet Union*, Nutter, G. Warren, Princeton UP, 1962. The bibliography is broken up by sources: Russian books, Russian journals and newspapers, and non-Russian books and periodicals. A copy marked #2 is also located in MB 13.

Document name: Statistical Abstract of Industrial Output in the Soviet Union 1913 – 1955 (Supplement)

Document type: appendix

Size, pages: 136 pages

Title: Supplement

Author(s): G. Warren Nutter

Year, month: March 1957

Volume number/section/part: 6

Locator label: MB 12

Comments by: Morgan Foy

Notes on document quality: green cover

Description (about 200 words): Supplement to *Statistical Abstract of Industrial Output in the Soviet Union 1913 – 1955*, by the Study of Soviet Economic Growth, National Bureau of Economic Research, New York (October 1956). “The data in this supplement complement and extend the series published in part 1 of this abstract, and hence the general remarks made in the forward to that part also apply here.” A copy marked #2 is also located in MB 12.

Document name: Supplement to Appendices A-E of Capital in the American Economy: Its Formation and Financing

Document type: appendix

Size, pages: about 50 pages

Title: Annual Estimates 1869-1955, T-Tables 1-15

Author(s): Simon Kuznets

Year, month: 1962

Volume number/section/part:

Locator label: CF 2

Comments by: Morgan Foy

Notes on document quality: bound in brown cover, handwriting on cover and first page

Description (about 200 words): Technical tables as seen in the appendices for the book, *Capital in the American Economy; Its Formation and Financing*, Simon Kuznets, Princeton UP, 1961. There is a copy also located in CF 2.

Document name: City Expenditures in the United States, Occasional Paper No. 66

Document type: appendix

Size, pages: 19 pages

Title: Supplementary Appendix E: Differences Between the Observed and Computed Values of per Capita Expenditures for 462 Cities and 40 Large Cities and Their Overlying Units of Local Government

Author(s): Harvey Brazier

Year, month: May 1959

Volume number/section/part: Appendix E

Locator label: MB 1

Comments by: Morgan Foy

Notes on document quality: bound in blue cover, handwriting on cover and first page

Description (about 200 words): The fifth appendix to the Occasional Paper *City Expenditures in the United States, Occasional Paper No. 66* (1959). Appendices A-D are located on the NBER website. A second copy is also located in MB 1.

**Document name: Distribution of Union Membership among the States, 1939 and 1953,
Occasional Paper No. 56**

Document type: appendix

Size, pages: 42 pages

Title: Source of Membership Data

Author(s): Leo Troy

Year, month: 1957

Volume number/section/part:

Locator label: MB 8

Comments by: Morgan Foy

Notes on document quality: no cover, bound together, handwriting on first page

Description (about 200 words): supplementary index to Occasional Paper No. 56

Document name: Supplement to Technical Paper No 20, Cyclical Analysis of Time Series: Selected Procedures and Computer Programs (1971)

Document type: appendix

Size, pages: two copies, each about 40 pages

Title: Programmed Selection of Cyclical Turning Points in Individual Time Series and Recession and Recovery Analysis

Author(s): Gerhard Bry and Charlotte Boschan

Year, month: 1971

Volume number/section/part:

Locator label: MB 1

Comments by: Morgan Foy

Notes on document quality: two stapled documents inside unbound brown cover, held together by large paper clip

Description (about 200 words): "program description and input instructions for the procedures discussed in chapters 2, 3 and 4"

Document name: Unpaid Household Work: Sources and Methods for Estimating Imputed Values

Document type: appendix

Size, pages: 22 pages

Title: Unpaid Household Work: Sources and Methods for Estimating Imputed Values

Author(s): Elizabeth S. Wehle

Copy number:

Year, month:

Volume number/section/part:

Locator label: CB 6

Comments by: Robin Barrios and Morgan Foy

Notes on document quality: document is missing title page

Description (about 200 words): designed as an appendix to the paper by John W. Kendrick, "Expanding Imputed Values in the National Income and Product Accounts"

Document name: Changes in the Recession Behavior of Wholesale Prices in the 1920's and Post-World War II

Document type: working paper

Size, pages: 65 pages plus 2 pages abstract

Title: Changes in the Recession Behavior of Wholesale prices in the 1920's and Post-World War II

Author(s): Phillip Cagan

Year, month: July 1974

Volume number/section/part:

Locator label: MB 1

Comments by: Robin Barrios

Notes on document quality: contains unbound two-page abstract, handwritten note on cover

Description (about 200 words): "The present study examines the recession behavior of wholesale prices since World War II and compares it with the mild recessions of the 1920's. The focus is on changes in recession behavior, possible bias in the data, and the differences in behavior among various groups of wholesale prices."

Document type: working paper

Size, pages: 42 pages

Title: Schooling, Ability and Negro-White Earnings Differentials, Comment on "An Inter-regional Analysis of Schooling and the Distribution of Income," Informal remarks on Anthony Scott's "The Human Capital Approach to International Migration"

Author(s): David O'Neill, Barry R. Chiswick, Mary Jean Bowman, Robert Myers

Year, month: November 1968

Volume number/section/part:

Locator label: MB 2

Comments by: Robin Barrios

Notes on document quality: unbound papers held together by clip with yellow coversheet, handwritten notes on title pages

Description (about 200 words): this document contains material presented but not appearing in the proceedings of the Conference on Education and Income

Document type: preliminary working paper

Size, pages: 162 pages

Title: The Effects of Unions on Industrial Wage Differentials

Author(s): H. Gregg Lewis

Year, month: April 1960

Volume number/section/part:

Locator label: MB 1

Comments by: Robin Barrios and Morgan Foy

Notes on document quality: bound in light blue cover

Description (about 200 words): "The chief purpose of this paper is to present for critical appraisal some tentative estimates of the impact of unionism on the interindustrial relative wage structure of the United States in 1958."

Document name: Conference on Research in Income and Wealth, April 1942; Also, Minnesota Income Study: The Field Survey

Document type: working papers

Size, pages: 316 pages

Title: Conference on Research in Income and Wealth, April 1942; Also, Minnesota Income Study: The Field Survey

Author(s): NBER, William Weinfeld, Harold Barger, John Lindeman, Gilbert Milton, Wendell D. Hance, Herbert E. Klarman, Horst Mendershausen

Year, month: April 1942

Volume number/section/part:

Locator label: CF 1

Comments by: Robin Barrios

Notes on document quality: front cover loosely attached, loose portions of pages in Table 3 of "A Statistical Study of Income Differences among Communities"

Description (about 200 words): this document contains the following: "Minnesota Income Study: The Field Survey," "Report of the Chairman of the Executive Committee," "The Why and How of Distributions of Income by Size," "Progress Report on Income Tabulations from the Sixteenth Decennial Census of Population," "Annual and Quarterly Earnings Patterns of Employees Covered by Old-Age and Survivors Insurance," "Work on National Income and Capital Formation at the National Bureau of Economic Research," "Income Measurement as Affected by Government Operations," "Statement on national wealth estimates planned by the Bureau of the Census," "Work of the National Income Unit," "Bureau of Foreign and Domestic Commerce, A statistical Critique of Existing Estimates of Capital Formation and Capital Consumption," "A Statistical Study of Income Differences Among Communities," and "Changes in Income Distribution during the Great Depression"

Document type: preliminary working paper

Size, pages: 83 pages

Title: British Investment in the United States, 1860-1880

Author(s): John J. Madden

Year, month: September 1957

Volume number/section/part: 24

Locator label: CF 1

Comments by: Robin Barrios

Notes on document quality: missing front and back cover, handwritten notes on title page

Description (about 200 words): "The purpose of this paper is to present an estimate of the volume of British investment in the United States during the period 1860 to 1880 when the latter had adopted an inconvertible paper currency and a freely fluctuating exchange rate."

Document name: An Empirical Model of the U.S. Economic Growth: An Exploratory Study in Applied Capital Theory

Document type: working paper

Size, pages: 129 pages

Title: An Empirical Model of the U.S. Economic Growth: An Exploratory Study in Applied Capital Theory

Author(s): Albert Ando, Ralph Beals, David Kresge

Year, month: January 1962

Volume number/section/part:

Locator label: MB 2

Comments by: Robin Barrios and Morgan Foy

Notes on document quality: document contains handwritten note on title page, title sticker peeling off

Description (about 200 words): the paper is divided into three sections: A Model with a Single Good, A Model with more than a Single Good Without Money and Government and, A Model with a Consumption Good, A Capital Good, Government and A Monetary System

Document type: preliminary working paper

Size, pages: 58 pages

Title: Industrial and Commercial Debt – A Balance Sheet Analysis, 1939

Author(s): Carl Kaysen

Year, month: July 1942

Volume number/section/part:

Locator label: MB 2

Comments by: Robin Barrios and Morgan Foy

Notes on document quality: handwritten notes and markings on cover and title page

Description (about 200 words): “three major objectives: first, to trace from business accounting records the structural and cyclical changes that have occurred in the financial organization of business enterprise since the turn of the present century; second, to determine the cross-sectional pattern of business credit demands during recent years; and third, to describe the adaptations that financing institutions providing short- and medium-term credit have made over the past decade in response to changing demands for their services.”

Document type: working papers

Size, pages: 264 pages

Title: Author(s): Finis Welch, Frances Selhorst, David M. Gordon, Joseph Persky, Jacob Mincer, Masanori Hashimoto, Jacob Mincer, Sherwin Rosen

Year, month: January 1972

Title: Letters Regarding Robert Gordon's *The Measurement of Durable Good Prices*

Author(s): Robert Gordon, Robert Lipsey, Charles McLure, and others

Year, month: June 1974 – June 1978

Volume number/section/part:

Locator label: CF 4

Comments by: Morgan Foy

Notes on document quality: bound in green cover

Description (about 200 words): The majority of correspondence is between Lipsey and Gordon where they share ideas and discuss timelines for the book. The folder also includes correspondence between Gordon and McLure regarding responsibility of the manuscript, between Lipsey and Irwin Miller regarding diesel engine prices, and between Lipsey and others regarding early copies of the manuscripts. There also is a New York Times article cutout about used car sales in Moscow and five letters between Oswald Knauth and Frederick Mills from 1940 that Lipsey thought Gordon would be interested in.

Document name: Mitchell Letter

Document type: letter

Size, pages: 1 page

Title: "My dear Professor Pervushin"

Author(s): Wesley Mitchell

Year, month: November 1926

Volume number/section/part:

Locator label: CB 4

Comments by: Morgan Foy

Notes on document quality: fragile letter torn in two inside manila folder

Description (about 200 words): Mitchell writes to Russian economist Sergei Pervushin about sending him a copy of *Business Annals* and describes about how the duration and amplitude of cyclical fluctuations are subject to change in large countries.

Document name: NB Research Program – General: Documents Letters

Document type: letters and reports

Size, pages: unnumbered

Title: NB Research Program – General: Documents Letters

Author(s):

Year, month: various years spanning 1930s – 1960s

Volume number/section/part:

Locator label: CB 1

Comments by: Robin Barrios

Notes on document quality: letters and reports are bound in a black hard cover book, handwritten notes throughout, five peach colored tabs are located on the outer edges of some pages marking the beginnings of reports

Description (about 200 words): this document contains various correspondence and reports including suggestions for research and commentary on research and the functions of the bureau

Document name: National Research Project

Document type: correspondence

Size, pages: 18 documents, letters are about 1 page, tabulations are about 8 – 10 pages

Title: National Research Project

Author(s): Solomon Fabricant, Jack Grauman and others

Year, month: October 1938 – March 1939

Volume number/section/part:

Locator label: CB 7

Comments by: Morgan Foy
